

AN ORDINANCE TO AUTHORIZE THE TRUSTEES OF THE BOARD OF PUBLIC AFFAIRS TO DRILL AN ADDITIONAL WATER WELL, AND PURCHASE EQUIPMENT TO OPERATE SAME.

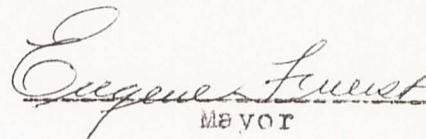

BE IT ORDAINED BY THE VILLAGE COUNCIL OF OTTOVILLE, OHIO:

Section 1. That the Trustees of the Board of Public Affairs are hereby authorized to proceed with the drilling of an additional water well to supply an added source of water for the Municipal Water System, and to purchase equipment for the operation of the same.

Section 2. That this is an emergency ordinance for the reason that the one well, on which the Municipal Water System now depends for its supply of water, is not considered adequate in the event of failure of the well to produce sufficient water, or equipment fail to operate to pump water from the one installation, thereby creating a situation hazardous to the health and welfare of the inhabitants of the village.

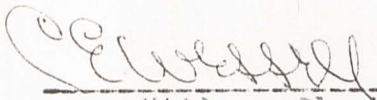

Section 3. That this ordinance shall be in force and effect upon the date of its passage.

Passed this 5th day of February, 1960.
